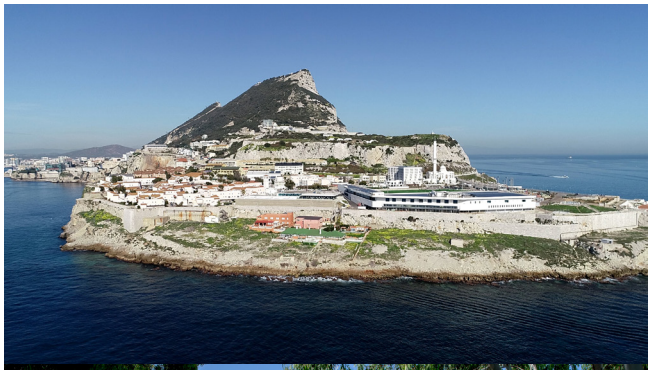
ABOUT GIBRALTAR

Gibraltar is a British Overseas Territory that is often described as a piece of Britain in the sun.

This means students can expect the same standards and values of a British university education in a warm, Mediterranean location which enjoys up to 300 days of sunshine a year.

At 6.7 square kilometres, Gibraltar may be small, but that is what makes it so unique. Everything is walkable, bikeable or a short bus ride away.



IMPROVING YOUR ENGLISH SKILLS AT THE UNIVERSITY OF GIBRALTAR LANGUAGE CENTRE

The University of Gibraltar Language Centre offers a high quality, student centred, participative learning approach with a strong focus on communication.

Our 1, 2 or 3-week English Language Spring and Summer courses aim to help students improve their understanding of spoken English and learn about the history and culture of Gibraltar. Get to know us: our history; our culture; our architecture; our famous monkeys; and our natural world all in English.

"TUTORS AT THE LANGUAGE CENTRE ARE EXCELLENT! IN ADDITION TO GOOD MOOD, JOY, AND PASSION IN TEACHING, THEY ARE ALWAYS AVAILABLE TO GO THE EXTRA MILE TO HELP STUDENTS ACHIEVE THEIR GOALS. THE COURSES ARE BOTH EDUCATIONAL AND FUN."

Student - March 2023

UNIVERSITY OF GIBRALTAR
LANGUAGE CENTRE

For 20-hours a week, students will work on developing and improving their listening and communication skills; pronunciation and fluency; use of grammatical structures; and expanding their vocabulary. Students develop their presentation skills and become more competent when public speaking.

Students benefit from small class sizes, high-quality teaching and a student-centred, participative learning approach.

We will work together to improve Common European Framework of Reference levels (B1-C1), based on the exam syllabus of Cambridge Assessment English.

At the end of the course, students can choose to take the Cambridge Assessment English Linguaskill Test, a new multi-level test that will assist students if they wish to study or work overseas.

"THE TEACHER WAS VERY NICE AND ENCOURAGED ME, SHE GAVE ME CONFIDENCE, ALTHOUGH MY HEART WAS NERVOUS, AND SHE TAUGHT ME TO BE BRAVE."

AWARD WINNING CAMPUS

Our Europa Point Campus is located at Gibraltar's southernmost point and its facilities are designed to enhance and enrich our students learning experience. Housed within Victorian barracks, the campus blends unique historical features with modern architecture and the latest technologies to create bespoke spaces to support students' learning.

ACCOMMODATION

Choosing where to live at university is almost as important as choosing where to study. It needs to be a space where students feel comfortable, safe and happy. We will help students find a place that is right for them.

Europa Suites

Most students choose to live at Europa Suites. Located just a two-minute walk away from our Europa Point Campus, all rooms have been designed as spaces in which to relax and study. Each self-contained studio apartment features a compact kitchen, en-suite bathroom and large desk.

Close to Campus

Located at Gibraltar's southernmost point, Europa Point enjoys breathtaking views over the Straits of Gibraltar and the African continent. Beaches and a full sports complex are within walking distance and regular buses connect students to the centre of town.

Europa Suites is just a two-minute walk away from the University's campus.
